WAX CARE

CLEANS AND MAINTAINS
ALL KINDS OF WOOD, CORK AND BAMBOO FLOORS
TABLE AND WORK TOPS, FURNITURE AND WOOD PANNELINGS

PRODUCT CHARACTERISTICS:

Natural-based liquid wax for cleaning and maintaining wood and cork surfaces. Benzene-free.

COLOUR:

8100 colourless.

FIELDS OF APPLICATION:

Unsurpassed maintenance and care product for wood and cork floors especially with waxed and oiled surfaces, also for furniture (work and table tops) and other wood objects.

Suitable for all wood species.

Recommended for initial treatment of freshly installed pre-finished floors before usage.

Cleans and maintains heavily used wood and cork surfaces. Removes with ease heavy stains, water spots, traces from shoes...

Regular care with SAICOS WAX CARE protects the surface, regenerates and refreshes the finish.

SAICOS WAX CARE is water repellent. The satin mat surface can be polished if desired.

APPLICATION PROCEDURE:

Shake well before use. Do not dilute.

Apply a small amount on a cloth or pour directly on the surface and distribute with a cloth. Wipe off dirt residues.

Quick and economical 1 cap = 1-2 m²

Heavier stains rub off with SAICOS polishing pad or Scotchpad. Wipe surface clean. Polish with dry cotton rag or floor polisher.

INGREDIENTS:

Binding agents: based on the regrowing natural raw materials carnauba and candelilla wax and paraffin waxes.

Additives: polysiloxanes (silicid acid base, extremely water repellent).

Volatile ingredients: aliphatic hydrocarbons (disaromatized white spirit - benzole-free - complies with the purity demands of the European pharmacopoeia).

PHYSICAL PROPERTIES:

Specific gravity: 0,76 - 0,79 g/cm³.

Viscosity: fluid (liquid).

Odour: mild (of natural vegetable oils and waxes), odourless when dry.

Flashpoint: over 28° C according to DIN 53213 (VbF-identification after EURO-Norm not required).

SAFETY ADVICE:

Keep out of the reach of children. Do not bring into contact with victuals and animal food. Do not fill into containers normally used for food and drink. In case of contact with eyes rinse immediately with plenty of water. Do not apply in the presence of naked flames.

Flammable - after drying normally inflammable (EURO-Norm EN 13501 - DIN 4102).

STORAGE PROPERTIES:

Practically unlimited (frost resistant).

CAN SIZES AND SPREADING RATE:

1,0 L = approx. 100 m²,

10,0 L = approx. 1000 m².

(1 cap = approx. 1 m²).

HEALTH AND ENVIRONMENT:

Does not contain biocides nor preservatives.

Safe for man, animal and plant when dry.

Complies with DIN 53160 (fast to perspiration and saliva) and EURO-Norm EN 71 /suitable for children's toys).

The above information is given to the best of our knowledge but without liability.
